

**Model 3**

**Model Y**

This kit does not support or switch off any of the assistance systems of the vehicle.

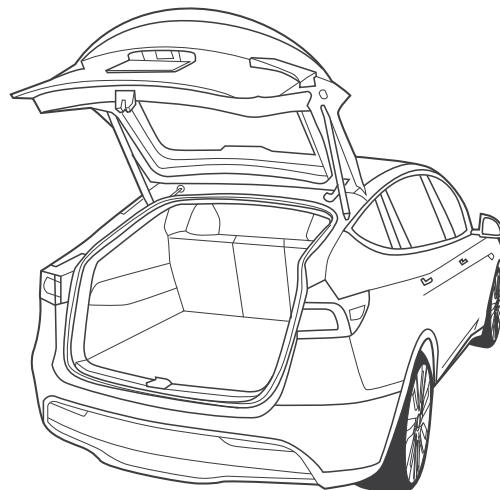

Deze set ondersteunt geen van de assistentiesystemen van het voertuig of schakelt deze niet uit.

Ce faisceau d'attelage ne prend pas en charge et ne désactive aucun des systèmes d'assistance du véhicule.

Este kit no es compatible ni desactiva los sistemas de asistencia del vehículo.

---

**Model Y**

Please note that the operation of the automatic electric tailgate will continue to function with a connected bicycle carrier/trailer/caravan.

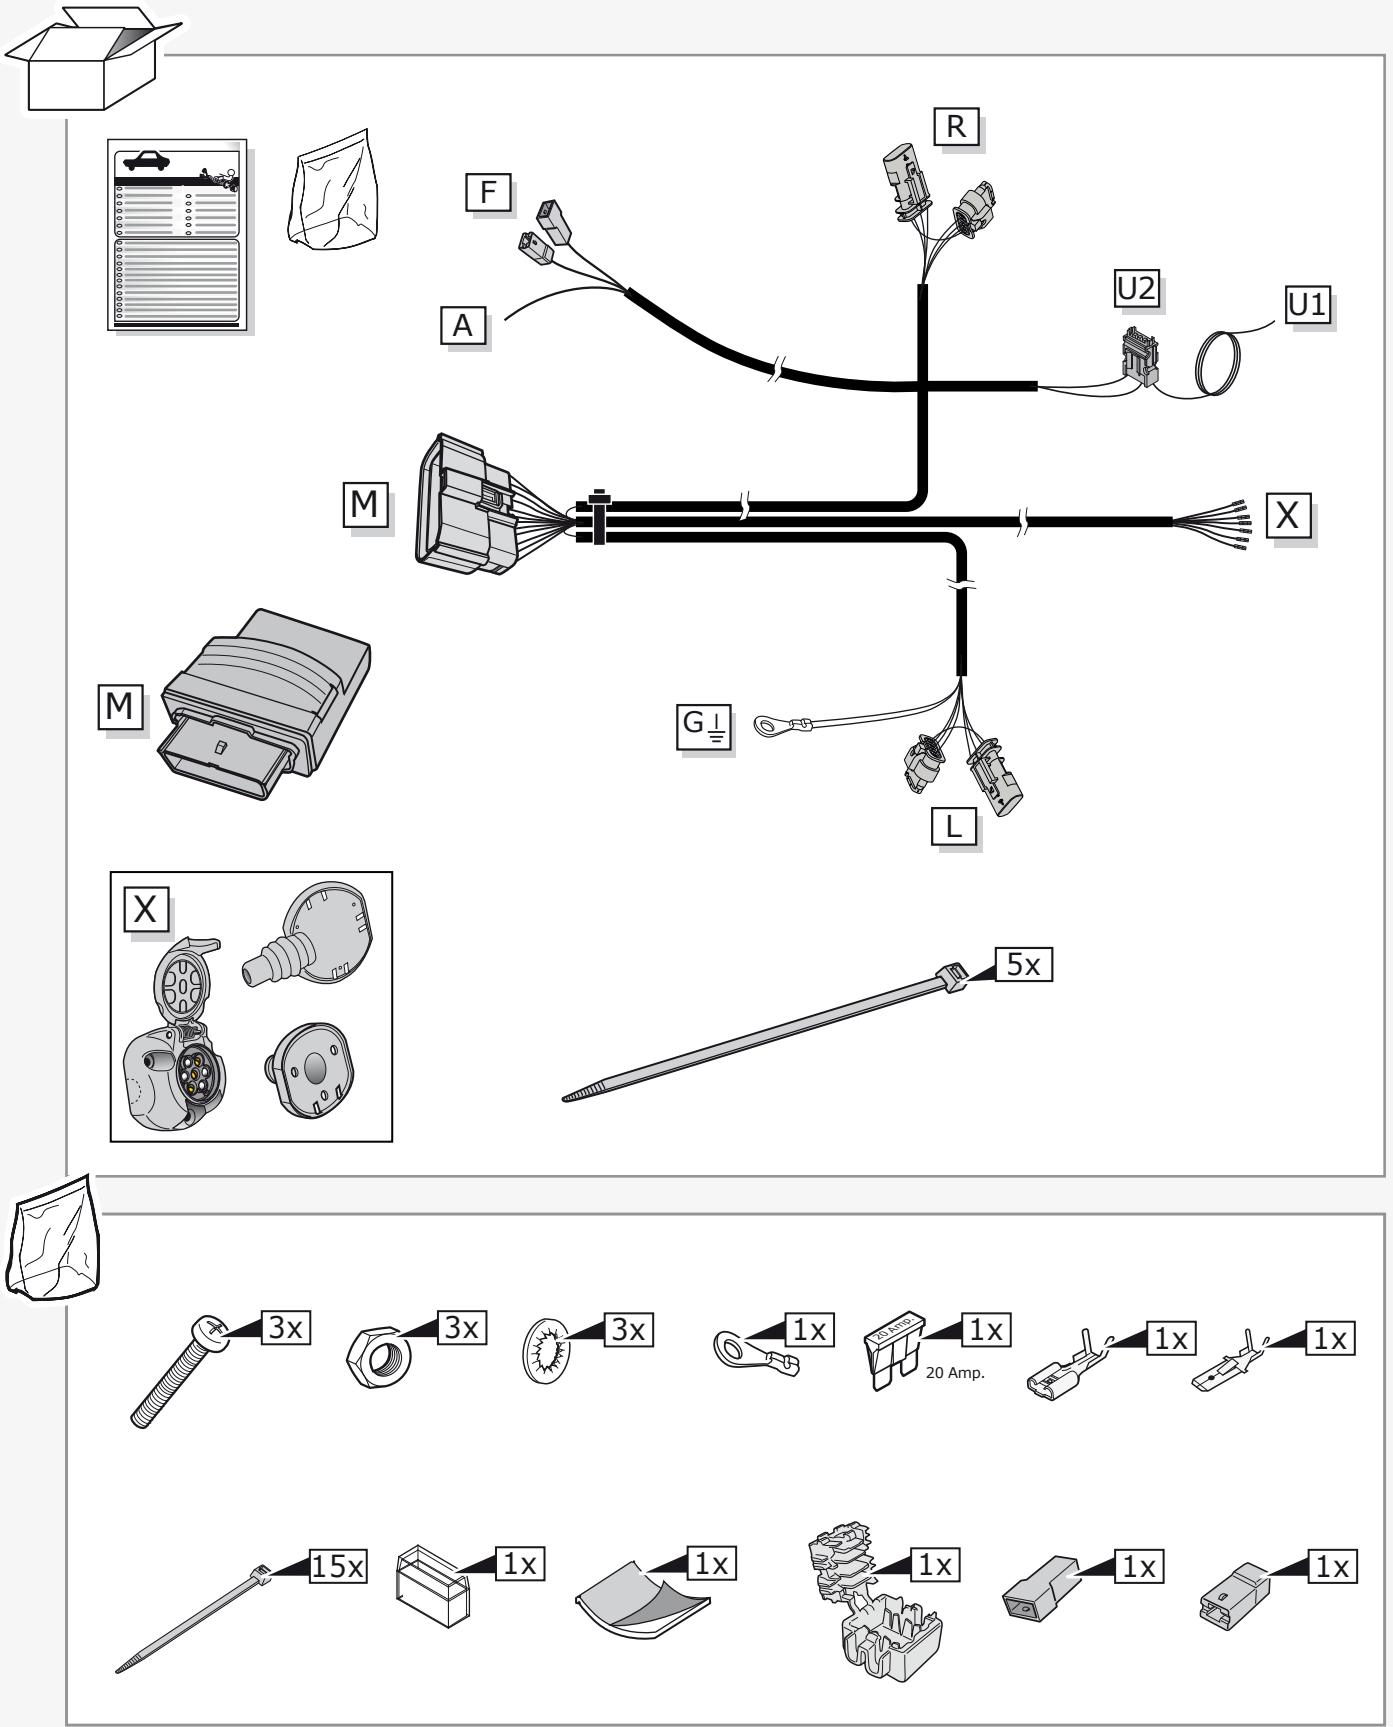

It must be operated manually.

Houd er rekening mee dat de werking van de automatische elektrische achterklep zal blijven functioneren met een aangesloten fietsdrager/trailer/caravan. Deze moet handmatig worden bediend.

Veuillez noter que le fonctionnement du hayon électrique automatique continuera de fonctionner avec un porte-vélos/remorque/caravane connecté. Il doit être actionné manuellement.

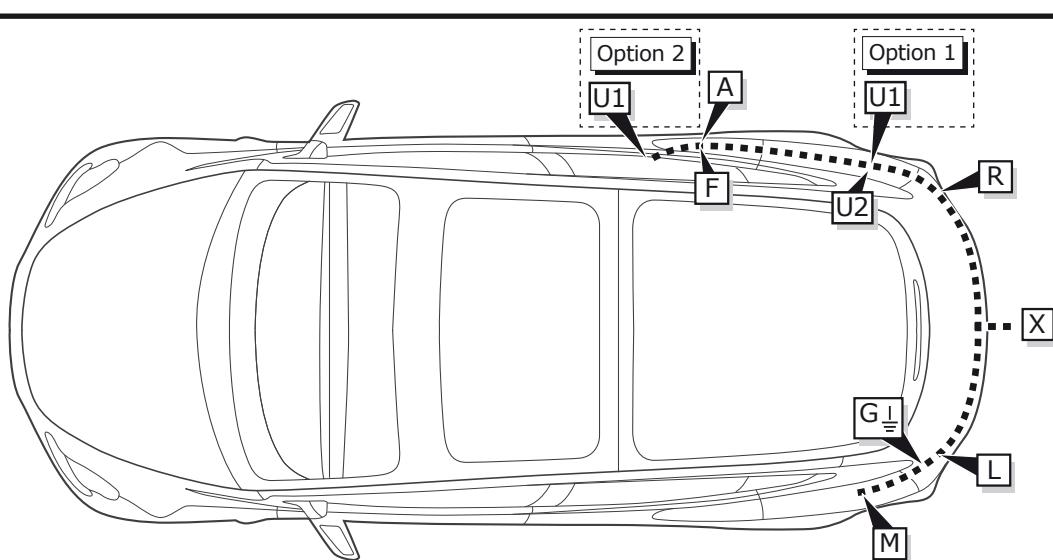

Atención, apertura y cierre automático del maletero seguirá funcionando con un portabicicletas, remolque o caravana conectado.

Estas funciones se deben de manejar manualmente.

**ROUTING**

1

ACHTUNG! (DE)	ATTENTION! (FR)	ATTENTIE! (NL)	ATTENTION! (GB)	iATENCION! (ES)	ATTENZIONE! (IT)
Die Kühlereistung des Fahrzeuges muß bei Nachrüstung einer Anhängerkupplung möglicherweise erhöht werden! Bitte unbedingt Herstellerangaben beachten!!	Il peut s'avérer nécessaire d'augmenter la puissance du radiateur du véhicule lorsque celui est équipé ultérieurement d'un attelage remorque! Respecter impérativement les instructions du constructeur!!	Het koelvermogen van het voertuig moet mogelijk worden verhoogd als achteraf een aanhangerkoppeling wordt aangebracht! Absolut de fabrieksopgaven in acht nemen a.u.b.!!	The vehicle's cooling capacity may have to be increased when retrofitting a trailer coupling! You must observe the manufacturer's instructions!!	iEs posible que haya que aumentar la capacidad del radiador en caso de reequipar un acoplamiento de remolque! ¡Rogamos tener en cuenta las instrucciones de fabricante sin falta!	La capacità di raffreddamento del veicolo, quando si applica un gancio di traino, si deve probabilmente aumentare! Si prega di osservare tassativamente le indicazioni del produttore!!

(DE) Um Störungen und Schäden am Bordnetz zu vermeiden, muss die Massepolklemme unbedingt vor Beginn aller Arbeiten von der Fahrzeughilfsbatterie getrennt werden! Insbesondere bei Arbeiten und Anschlüssen am CAN-Datenbus kann bei nicht abgeklemmter Batterie sowohl das Anhängermodul als auch das fahrzeugseitige Bordnetzsteuergerät beschädigt werden! Bitte Herstellervorschriften beim Ab- und Anklemmen der Fahrzeughilfsbatterie beachten!

(FR) Afin d'éviter tout dysfonctionnement ou endommagement du circuit de bord, il est indispensable de débrancher la pince de masse de la batterie du véhicule avant le début de toute opération! En particulier s'il s'agit de travaux et de branchements effectués sur le bus de données CAN, si la batterie n'est pas débranchée, le module remorque aussi bien que le dispositif de commande de circuit de bord du véhicule risquent d'être endommagés! Veuillez respecter les directives du fabricant lors du branchement et du débranchement de la batterie du véhicule!

(NL) Om storingen en schade aan de elektrische bedrading te vermijden moet de massapoolklem absoluut vóór aanvang van alle werkzaamheden worden losgekoppeld van de voertuigaccu! Vooral bij werkzaamheden aan een aansluiting op de CAN-databus kan zowel de aanhangermodule als de voertuigzijdige regelgeleidheid voor de elektrische installatie beschadigd worden, als de accu niet ontkoppeld is! Fabrieksvoorschriften bij het vast- en loskoppelen van de voertuigaccu in acht nemen a.u.b.!

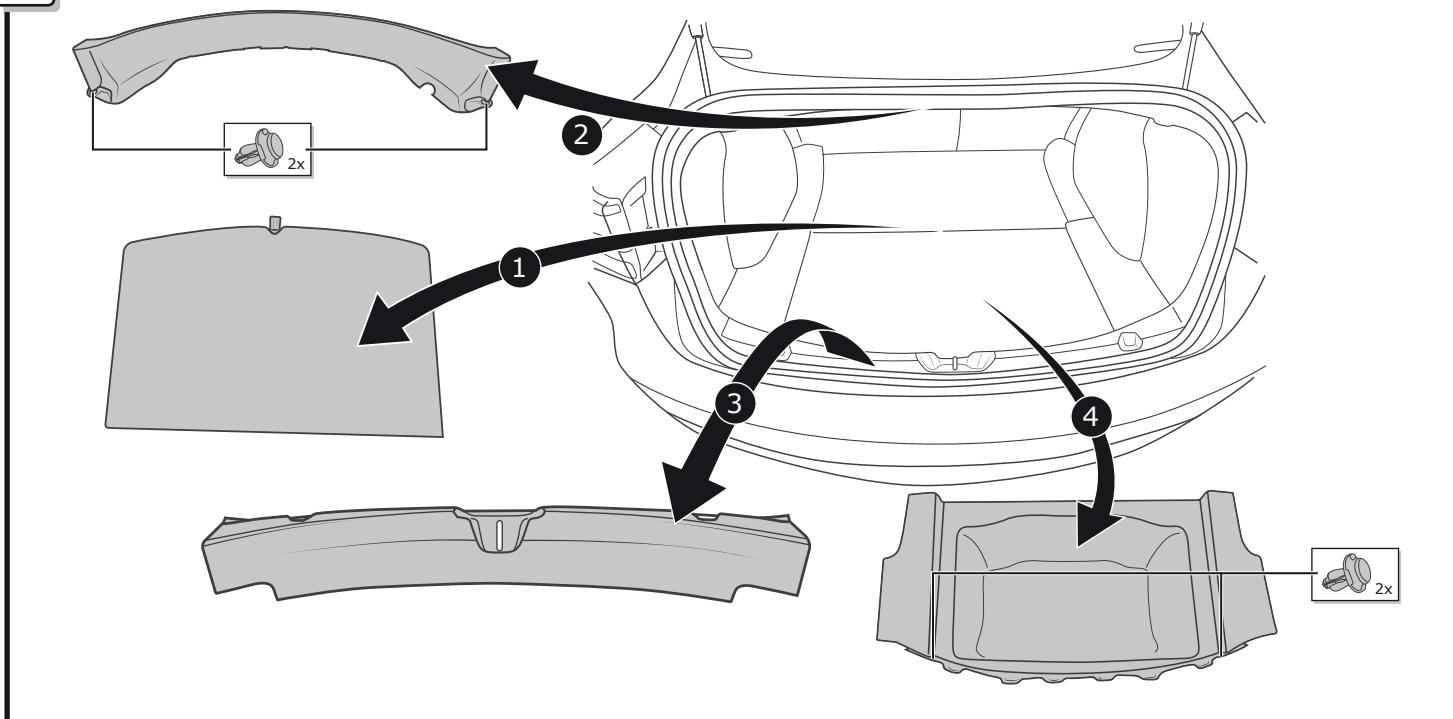

(GB) In order to avoid mal-functions and damage to the vehicle's electrical system the earth terminal must be disconnected from the vehicle's battery before starting work! Both the trailer module and the vehicle's control unit for the electrical system can be damaged during work on the CAN data bus connections if the battery is not disconnected! Please pay attention to the manufacturer's instructions when disconnecting and reconnecting the vehicle's battery!

(ES) iPara evitar fallos y defectos en el sistema eléctrico de a bordo es imprescindible separar al terminal de puesta a tierra de la batería del vehículo antes de realizar cualquier trabajo! iParticularmente al realizar trabajos y conexiones al bus de datos CAN puede estropearse tanto el módulo para remolques como el regulador del sistema eléctrico de a bordo del vehículo si no se ha desconectado la batería! iRogamos observar las instrucciones del fabricante al conectar y desconectar la batería del vehículo!

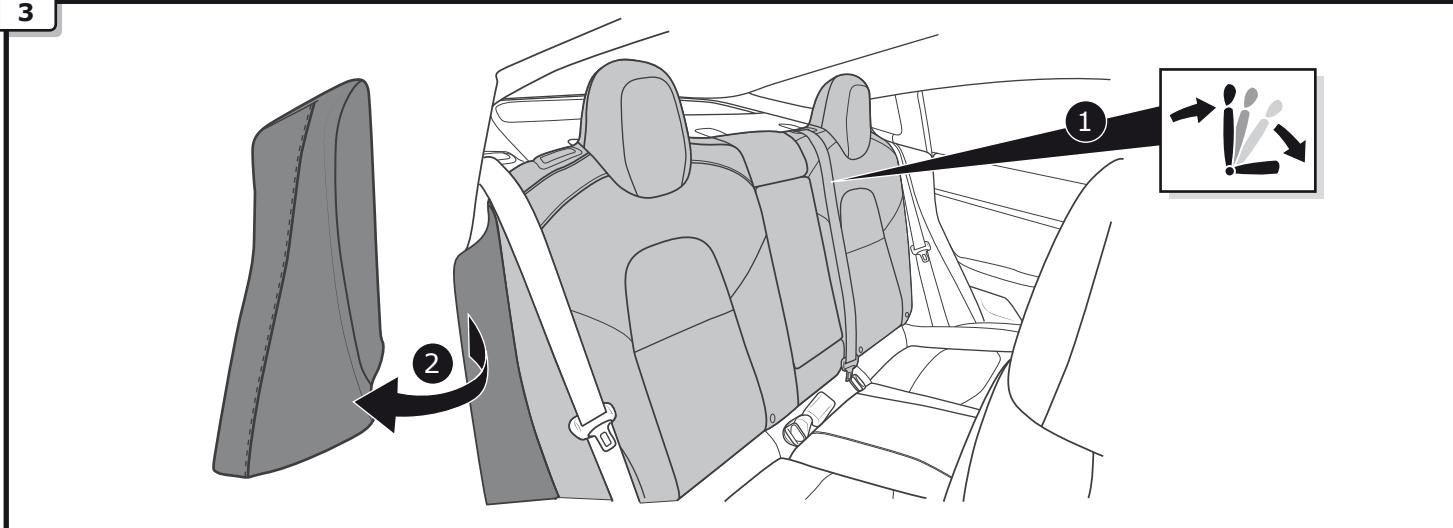

(IT) Per evitare disturbi e danni alla rete di distribuzione elettrica, l'espansione polare a massa deve essere assolutamente scollegata dalla batteria del veicolo prima dell'inizio dei lavori! In particolare durante i lavori e gli allacciamenti al bus di dati CAN, se la batteria non è scollegata si possono danneggiare sia la centralina rimorchio, sia la centralina della rete di distribuzione elettrica del veicolo! Attenersi alle indicazioni del costruttore per scollegare e ricollegare la batteria del veicolo!

### Functional test

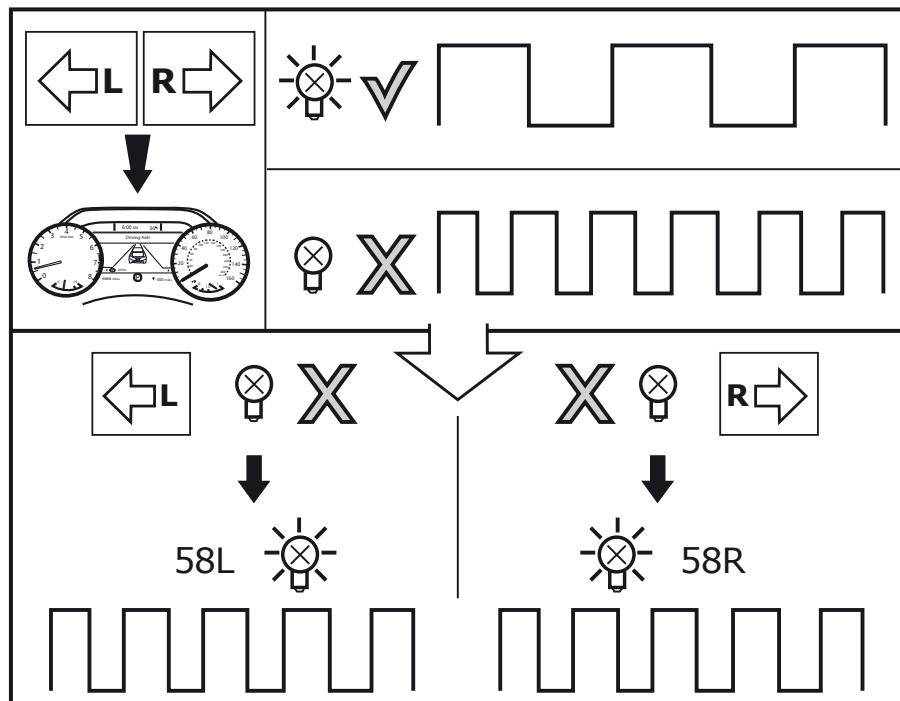

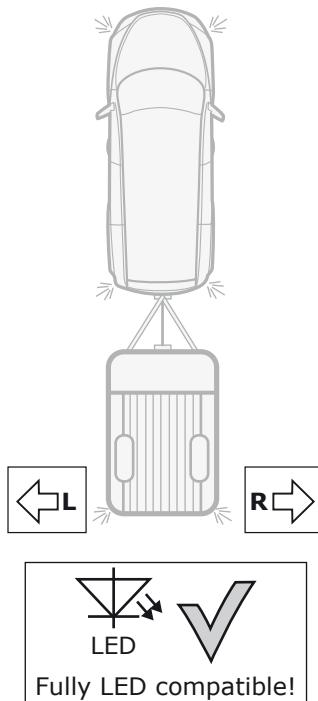

**LIGHT MATE®**

**ECS part no.**  
**LIGHTMATEII**  
**LIGHTMATEIII**

- (DE) Ausfall Fahrtrichtungsanzeiger Anhänger – Anzeige & Blinker-Ersatzlichtschaltung
- (FR) Erreur au niveau d'un clignoteur – replacement d'afficher et clignotant
- (NL) Falen van richtingaanwijzer – display- en richtingaanwijzerlicht vervanging
- (GB) Trailer turn indicator failure – display & indicator light substitution
- (ES) Indicador de fallo remolque – pantalla y indicador para sustitución luz
- (IT) Guasto dell'indicatore del rimorchio - sostituzione display e spia luminosa

## C2 Turn Indicator Substitution

- (DE) Bei Ausfall Fahrtrichtungsanzeiger Anhänger:  
Entsprechende Schlussleuchte übernimmt die Blinkerfunktion.

(FR) En cas de non fonctionnement d'un des clignoteurs:  
La veilleuse correspondante prend la fonction du clignoteur.

(NL) Bij het falen van een richtingaanwijzer:  
Bijbehorend achterlicht zal de richtingaanwijzerfunctie overnemen.

(GB) In case of trailer turn indicator failure:  
Corresponding tail light will take over the indicator light function.

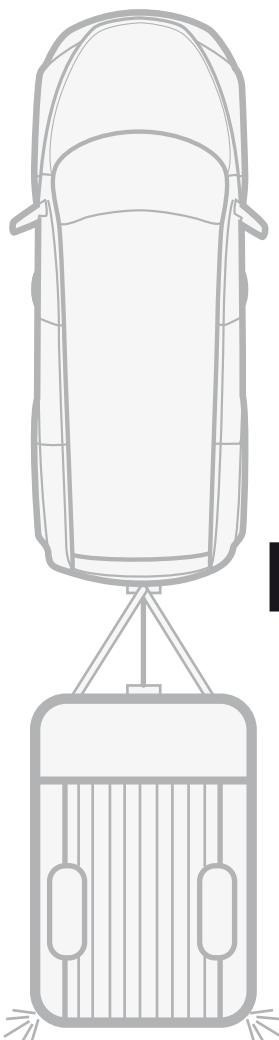

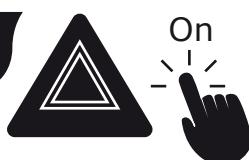

(ES) En caso que el indicador de fallo remolque ilumine:  
Correspondiente luz trasero tomara control sobre el indicador de fallo.

(IT) In caso di guasto dell'indicatore del rimorchio:  
Il fanale posteriore corrispondente sostituira la funzione della spia luminosa.
